Focus - MANAGING CHANGE DURING UNCERTAIN ECONOMIC TIMES

Overview

This programme is run in collaboration with McDonough School of Business, Georgetown University, Washington DC, USA. It is designed to enable executives and all those in top decision making positions to keep abreast of international best practices in Leadership.

This programme will provide insight to managing change and leadership abilities and expose the participants to real-world learning experience. It provides them with the functional knowledge and intellectual skills to manage and lead an organization with insight and success.

Programme Content

- Leadership, Governance and Economic Development
- Strategy for Business and Government in a Comparative African Context
- Global Economics
- Strategic Performance Management
- Corporate Governance & Ethics
- New Shape of Global Fraud
- Workings of the World Bank, IMF and WTO
- Communication & Critical Thinking
- Communicating during Tough Times

Participants' Profile

Chairmen, Board Members, Chief Executives, Directors, Top Executives of all Public Institutions, Permanent Secretaries, Heads of Civil Service, Legislators, Committee Chairmen, Top Political functionaries and top officers of security services and agencies.

Faculty

Eminent professors and experts from the United States and the United Kingdom, comprising the same internationally recognized faculty who teach Georgetown's full time MBA programme.

Drawn from the highest levels of academic, business and government, the faculty members of McDonough School of Business represent a diversity of intellectual perspectives and a depth of professional experience. These professors serve as consultants to businesses, governments and non-governmental agencies throughout the world.

Discount

10% discount to any organization that nominates 3 or more participants and full payments made on or before 30th September, 2010.

About the venue

Georgetown University is one of the oldest Universities in the United States. Founded in 1789, the year the US constitution took effect; it offers opportunities to participants to exchange ideas with some of the most astute and accomplished people in business, government and the non profit world. Georgetown University's McDonough School of Business is internationally recognized as a leading institution for the study and advancement of economic, financial and public policy theory.

Benefits

As participants on this programme, delegates will grow in their ability to master complex organizational management in an increasingly turbulent global environment. They will also have the opportunity to network and forge lasting relationship with experts who will challenge and inspire them throughout their careers and business endeavours.

Vision: To be the Source and Symbol of Management Excellence
