PROJECT WORK/PROJECT DEFENCE

In each part of this programme, candidates are expected to take all the six subjects at a sitting and cannot proceed to the next part unless they pass five (5) or all the subject of the lower parts. NIM supplies the student with the list of recommended text books according to the syllabus of each subject. These are supplemented by NIM periodicals, reading and reference lists and teaching aids which keep pace with the times.

A. LECTURE

Regular lectures are held at the Institute's accredited tuition centres throughout the Federation. Students are also free to take tuition from other management Institutions approved by NIM. List of tuition centres can be found on the website: www.managementnigeria.org.

B. COURSE PARTICIPANTS

The Professional Diploma in Management is a judicious blend of theory and practice concerning the basic area of management and is aimed at middle and senior management who are desirous of building a career in management. The emphasis is on the development of analytical skills necessary in a fast changing environment, and the course is well suited to executives in both private and public institutions who are involved in either planning, administration, production, human resources development or financial management
