The journey to the peak of one's career is not an easy task. For a woman, the task is even more challenging. It is therefore important that she is adequately equipped with the skills and competencies needed for her career development.

This Conference will give full exposition to the factors that are critical for success as the professional woman strives to reach the peak in her chosen career.

WHO SHOULD ATTEND

Female Managers and Leaders in Public and Private Organizations /Establishments, Gender Development Executives, Independent Professionals and Non-Governmental Organizations (NGO's).

THEME: THE PROFESSIONAL WOMAN AND CAREER DEVELOPMENT: KEY SUCCESS FACTORS

SUB-THEMES:

- Building a Successful Career in the 21st Century: Issues for Female Managers
- Imperatives of Personal Development & Emotional Intelligence for the Professional Woman
- Achieving Success in life: Role of Positive attitude & Personal Branding

These topics will be ably handled by eminent speakers who have distinguished themselves in their various professions.
